Re: Transfer of Notice of Intention, Small Mining Operations, Red Beryl Small Mining Project, S/023/018, Juab County, Utah

Dear Mr. Wilkinson:

On June 28, 1999, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the small mining project located in Section 11, T12S, R12W, Juab County, Utah from Sprunger's Minerals to Gemstone Mining, Inc.

The Division Director signed and executed the transfer document on June 30, 1999 *which effectively transfers the responsibility of this mining operation and reclamation to you.* Please note the comments written on page 3 "Division Approval Certification," which clarifies that this transfer encompasses all disturbances associated with the Red Beryl project. A copy of the transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project.

By copy of this letter the Division hereby officially releases Mike and Sandra Sprunger from any further reclamation responsibilities at this site. Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5321. Best of luck with your new mining venture.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
